“ *So sorry for your loss. I have so many wonderful memories of spending time with Loretta and Fred at Burger King when I was a teenager. I'll always remember their truck with all the colorful lights - you could see them coming from miles away! :) My thoughts are with you and your family during this time. Ryan Prucker*

I thank you very much, My Dad was very proud of his handy work with all the lights he put on his truck.

“ *Patty, Jean, Linda and Joanne,
We're so sorry to learn of your moms passing. The last time we saw
your parents they were mall walking at Carousel. We shared some
nice times that our families had together.
I still will drive thru the old neighborhood whenever I'm in the area.
We had a great neighborhood, everyone was so friendly. Your mom
was great lady whom I'm sure will be greatly missed. Love to
all. God bless. I will keep you in my prayers.*

*Thank you for sharing. I just found this online 6 yrs after moms
passing. Pat and Jean had nothing to do with our parents before my
Dad passed in 2006. Many Many years before. I miss Virginia. At least
I got to bring my daughter down to meet her.*

*Mom, I never thought you would never come home from the hospital
that last time. Your passing was devastating to everyone. I find now all
these years later, that I'm just like you watching cooking shows and
talking about it to Allison and Bri. I always have you and Dad in my
thoughts. <3*
