

## Lorraine Stasko Wenner

August 12, 2025

Mom finally won the only jackpot that matters, her heavenly wings. She departed life on August 12, 2025.

She was preceded in death by her mom and dad, Joseph and Frances Stasko; husband John; son Greg and brother-in-law, Karl.

Lorraine is survived by the loves of her life: her grandchildren Jennifer, Katie, Chelsea, Halie (Warren), Greg and a great-grandbaby on the way. She is also survived by her beloved children, Gary (Kathy), Susan (Paul) and James (Diana) and her much loved sister Rose Marie, and many relatives and friends.

She will be remembered most for the love and care that she poured on her family, sometimes at great personal sacrifice.

She will be remembered for her home being a refuge from this world, for never missing a milestone, for her care, for being a sounding board for her children, for her grilled cheese sandwiches, French toast, and famous mashed potatoes, for her sense of humor, for the silly jokes, for her intelligence (which she downplayed but we saw it), for daily checking how Bitcoin was doing, for the wonderful Christmas' at Grammy's, for her thoughtful ways, cards, letters and gifts and much more.

Her last words were, "Love you", and that is the legacy she left, that we all are loved beyond measure. She will never be forgotten and we will miss her dearly. The world is a better place because she was born. Cherish your loved ones.

Psalm 34:18

The LORD is near to the broken hearted...

"If you want peace in the world, go home and love your family." - attributed to St. Mother Teresa of Calcutta

Donations may be made in her memory to Emmaus Ministry; P.O. Box 15224, Syracuse, NY 13215; "Creating a culture of Hope".
