“ *My Deepest Sympathy to the Uczen family. I happened to be searching online people who passed away who were born in Nanticoke, PA, my hometown. Was surprised to see Martin Uczen. I was born on the same street that Martin's parents lived on. I knew his parents very well. His father owned a small grocery store. That was the store my parents would go to. When Mr. John Uczen went next door to his house for lunch if my mom was there he would ask her to watch the store for him. He also let me work there a little when I was young working at his cash register. I can still remember in my mind what the store looked like inside. Uczen's Store was one of the biggest memories of my childhood! I didn't know his children but I always missed Mr. & Mrs. Uczen. I am so sorry for your loss!*
