“ *It is sad to know that Sr. Lillian is no longer on this earth but good to know that she is finally with Jesus. I had gotten to know Sr. Lillian when I lived at 848 Park Ave for many years. I remember Sr. Lillian and her mother walking to Sacred Heart every Sunday for Mass. And she had the best kept home in the 800 block! When I moved from Park Ave to Strathmore, Sr. Lillian surprised me with housewarming gifts that were in her possession for many years, which I treasure today. I would be honored to attend her funeral if it is permissible.*

“ I am saddened to hear of Sr. Lilian’s passing. I was her tenant due a few years and she was nothing but gracious. I visited her as often as I could after I moved and Lao at the extended care facility . Sadly, but often enough and unfortunately not this past spring. Bringing china teacups and a pot of tea and treats was a favorite way to visit with her and Sr. Maurice. I do wish I could attend her service and burial. I can be found on Facebook (message me) if her family doesn’t mind if I attend. Better yet , text me 315-420-6347, please. She was special to me. Lynn Nares

Excuse the typos! It should read ‘for’ a few years and ‘not’ often enough
