“ We want to convey our heartfelt sorrow to the Bartowski family for their loss. This was a man that you liked right when you met him. He had a zeal and sense of humor that was undeniable. I always enjoyed the way he would razz my husband when he drove us to our clambakes as our designated driver. Mike and Patti were teenage sweethearts and it showed right to the end. His sons are strong men that the two of them raised and will carry on his legacy as kind, gentle men. His generosity was always felt when all us girls would go out to dinner. He would give Patti money for all of us towards our meals. It was such a sweet gesture and we loved him for it. May you rest in peace Mike and hope the sports station up there is just as good. We are going to miss you dearly. Patti and sons, we love you and are there for you.

Lovingly,

“ *Michael was just the best. He had more integrity than anyone I know. He always helped me so much in city court, especially when I was a new court officer. He always had a smile & a hilarious joke for me. This is truly heartbreaking & I pray he is at peace & I pray for all his family & many, many friends. Godspeed Mike. Love Mooney.*
